Deputy Engineer, Corporation of Bangalore,
B A N G A L O R E

To The Commissioner,
Corporation of the City of Bangalore

Through The Corporation Engineer.

Sir,

Consequent on the retirement of Sri S H Dhanarajan Corporation Engineer, I was placed in additional charge of the duties of the Corporation Engineer from 28-7-51 to 30-9-51, until Sri R Madhavan assumed charge of the Office on 1-10-51 The Resolution of the Corporation placing me in charge has been approved by the Government in their Order No L 12039-42/ C M 1-52-39 dated 25-10-1952 I was entitled to draw the in charge allowance at 1/10th the minimum pay of the post plus the Conveyance Allowance attached to the post The Government Order specified only the in-charge allowance but there was no mention of the Conveyance Allowance When I brought this to the notice of the then Secretary, Local Self Government Department, on 15-11-1952, he stated that the Officer, who was placed in charge of the duties would automatically be entitled to draw the Conveyance Allowance attached to the post

The Audit Slip which I have received now, allows me to draw only the in-charge allowance at 1/10th the minimum pay of the post and the Chief Accounts Officer has intimated that specific orders of Government would be necessary to claim the Conveyance Allowance attached to the post The post was actually vacant and I acted in the place for over two months I had to travel over the whole of the Corporation Area for inspection of works under progress during the period

I request therefore that the Government may kindly be addressed to order the grant of Conveyance Allowance at

P T O

Rs 125/- P M attached to the post, less what I have already drawn as Assistant Engineer for the period from 28-7-51 to 20-9-1951
